PAYMENT SOLUTIONS

www.ecampus.cards

**FOR INNOVATIVE SCHOOLS,
UNIVERSITIES & COLLEGES**

THE LATEST CONVENIENT WAY TO GO
CASHLESS WITHIN CAMPUSES

A unified stored value **Smartcard** based **cashless** solution for

- Libraries
- Canteens
- Fees payment
- Events payment
- Paid facility payments
- Transportation payments

and all other financial transactions where students use cashless Smartcard instead of physical cash.

Peace of mind for Students, Parents & Institutions

eCampus eliminates the need to handle physical cash, long queues thus, improving operational service levels and efficiency and as an educational institution, you get upfront/advance cash once student/parents top-up the cashless smartcards which help you to enhance your monthly cash flow.

eCampus provides you limitless scalability & 100% control from built-in card management features i.e, issuing of card, formatting, recharge renewal, cancellation and all other administrative related activities.

Front-end and back-end administrative related activities such as top up, sales return, card blacklist, card replacement, generating reports, real-time monitoring and student database. It provides access rights to appointed staff, central cash management and more.

We assure you 100% cashless infrastructure uptime and as well as SLA assurance.

AVAILABLE BALANCE

School Financial/Management Dashboard

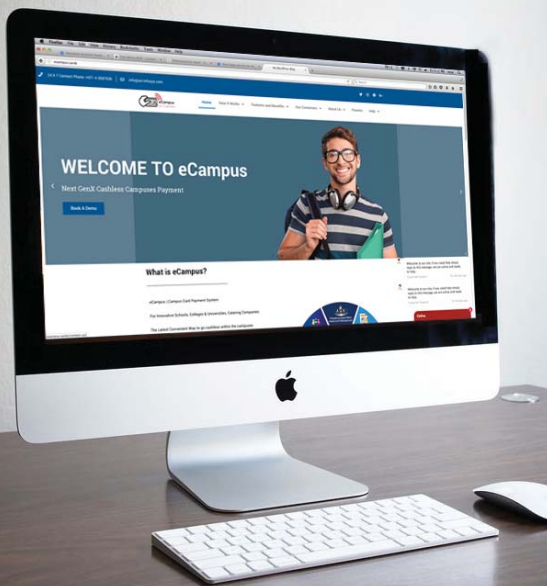

With the automation of essential in-campus services, the school management provides the facility of catering to students, staff and visitors on a 24x7x365 basis. Management has centralized control and monitoring capabilities of all the transaction assisted by the smart cards, which makes it easier to quickly review any transaction and take out any transactional report for analysis. It also makes tracking of all the card activities of students, staff, and visitors. For instance, one single card can be used for any kind of payment within the campus (e.g. Fees, fines and miscellaneous purchase). Smartcard Cashless Solution presents a win - win scenario for the campus and parents

Parents Dashboard

Monitor student's attendance, performance and other cashless card activities. Easy access to all the notifications, time- table and other administrative related information of the campus. Save parent's time by preventing a frequent visit to the campus. Parents can control a child's daily spend by Daily-Cap feature.

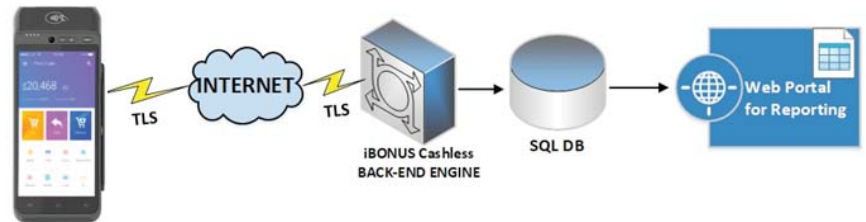

Students Dashboard

Online login feature for Students to check the card balances and monitor the usage. Students can also select their meal preferences on the web portal.

Standard Cashless Pre-paid Solution

Enter the amount manually on the cashless terminal
Data will be transferred to backend engine and SQL DB
Reports can be viewed on the web portal.
